UnityWorks LLC materials are copyrighted and may not be reproduced or transmitted in any form or by any means without prior written permission. This Site License grants you, the purchaser, **permission to reprint** as many copies as you need of the item listed above for your current organization in perpetuity.

The copyright information must clearly show on all copies. Scanning, digital distribution, inclusion in other publications, and commercial uses are not permitted. This license is valid only when accompanied by the purchase receipt listing your organization's name.

This license is not transferable. Each organization must obtain its own license. To purchase an item, download and complete this form, then email to: [info@BahaiTools.com](mailto:info@BahaiTools.com). For payment information, please visit [www.BahaiTools.com](http://www.BahaiTools.com) > Additional Items (left menu), then "Additional Charges" in the center of the page. The fees, in U.S. dollars, are listed below:

- \$100** – For one school, local organization, or individual (for local use only)
- \$200** – For one school district, college or university
- \$300** – For one regional, state or national agency

Our goal is to provide excellent products at a reasonable cost. The modest fees we charge help to support the development of new products for your use. We hope you will let others know about our materials as well.

See our [Returns](#) page for additional information.

**I understand and accept the conditions of this site license.**
